Note: Section 19a-79-5a(a)(2)(E) requires a child's Health Record to include information regarding disabilities or special health care needs such as allergies, special dietary needs, dental problems, hearing or visual impairments, chronic illness, developmental variations or history of contagious disease, and an individual plan of care for the child with special health care needs or disabilities. The plan shall be developed with the child's parent(s) and health care provider and updated as necessary. Section 19a-79-4a(h)(2)(H)(viii) requires that the health consultant shall assist in the review of individual care plans as needed.
