PARENT/GUARDIAN AUTHORIZATION FOR PARTICIPATION & HOSPITALIZATION IN THE EVENT OF AN EMERGENCY

I give permission for my child to participate in all Regional YMCA activities. I also give permission for photographs of my child to be used for publicity purposes. I understand that I am financially responsible for all camp costs for my child. I have read and understand the refund/credit policy and will inform the YMCA of any changes to my child's attendance in writing at least ten (10) days prior to the change. I waive the Regional YMCA of Western Connecticut, and any of their staff from liability for any injuries or illness, which may occur that are not the result of gross negligence on their part. In the event I cannot be reached in an emergency, I hereby give consent to the staff of The Regional YMCA of Western Connecticut or competent authority to access emergency medical care and/or transportation to the hospital.

CAMP GREENKNOLL (FULL DAY OPTION): Children must be picked-up by 6:00 p.m. There is a charge of \$1 per minute for late pick-ups. I am aware that there must be a current physical form on file in order for my child to participate. I also waive the Regional YMCA of Western CT, and any of their staff for any injuries, which may occur in transporting the campers for the purpose of participation.

CLASS DESCRIPTIONS

ART EXPLORERS – Explorers focus on a different theme each week using a variety of mediums such as paint, paper, markers, pastels, clay, plaster and more. Different techniques such as sculpture, collage, painting, drawing, cutting & gluing are explored to create wonderful pieces of art.

Art Around the World – Art techniques from different countries

Acting Under the Big Top – Creating props & costumes for a Circus performance.

The Mighty Jungle – Tropical animals, rainforest

Famous Artists – Various famous artists and their different techniques

Bugs & Butterflies – Insects and their environments

Artful Antics! – Anything Goes

Under the Sea – Seascapes, sea creatures, sand, water

ART SPECIALISTS – Each week children will focus on a specialty area in the arts to enhance or learn a new skill.

Jewelry Making – Build a foundation for making beautiful jewelry. Learn different techniques from beading to wire wrapping & beyond with proper usage of tools and materials.

Photography – Learn the ins and outs of both film & digital photography. Focus on composition, lighting & contrast, color, subject placement techniques, & portraits, shooting sports or landscapes.

Print Making – Learn the basics of producing multiple pieces of art using various printing methods such as relief printing, monoprinting, collagraphy & linocut.

Painting – Students learn color theory, color mixing, basic drawing & painting techniques with oil pastels, watercolor & acrylics as well as developing ways to critique their own work. Art history is incorporated.

Acting – An acting, theater workshop for young stars to introduce you to the world of acting. You'll play some theater games, work on and develop characters, make props and work on a mini production as a finale. Maybe even a song or two to go along with your show. A fun, creative way to explore acting.

Cartooning – Develop your own characters or draw known ones. Learn how to draw different facial features, expressions, body poses & movements, as well as coloring, inking, story boarding & more.

Pottery – Create one of kind pieces of art that are both beautiful & functional. Learn the wheel and hand building techniques such as coiling, slabs & pinch pots. Create bowls, vases, dishes & all pieces are then fired & glazed.

Puppet Theater - Back at the turn of the century there was a form of storytelling called A Crankie or Moving Panorama. In the last decade this style has made a resurgence in the world of puppetry by incorporating shadow puppets into the performance. In this class each student will build their own Crankie Theater, create a story on a scroll, and build all the shadow puppets needed to tell their story. Students will also learn to create different types of shadow puppets, and how to create complex stories and effects with very simple tools.

Paper Crafts – Create beautiful art by using various methods to manipulate paper such as quilling, origami, papier maché, paper cutting, and card making.
